ABOUT US

Interieur Design, formerly Components Enterprises, has been serving Bangalore for over 13 years.

We are a professional, customer-focused interior design company committed to creating bold, beautiful, and functional spaces.

Our approach is simple and clear: understand your needs, deliver quality, and exceed your expectations.

We put you at the center of everything we do, ensuring your vision comes to life with precision and style.

WHY CHOOSE US? HERE'S HOW WE'RE DIFFERENT

1. Personal Touch, Not Corporate Clutter We're not a faceless corporation chasing profits. We're passionate individuals who care about your project as much as you do.
2. Direct Connection, No Middlemen Say goodbye to salespeople and intermediaries. You'll work directly with one dedicated expert—from start to finish.
3. Real Results, No Gimmicks. We don't believe in flashy showrooms or empty promises. What you see is what you get—and we deliver exactly what we promise.
4. Complete Transparency Honest work and open communication are our core values. You'll always know what's happening, every step of the way.
5. Customized Solutions Just for You We understand every client is unique. Our approach is tailored to fit your specific needs, style, and budget.
6. Commitment to Quality and Timely Delivery We value your time and investment. Expect top-quality workmanship delivered on schedule, every time.

Choose us for a truly personal, transparent, and hands-on experience, because you deserve more than just another service
